

## Follow on Activities for Aliens Love Underpants

### **Washing**

Children could practice life skills helping to wash different items of small clothes (socks/underwear) in a washing up bowl of water in the garden. Once they have washed the clothes they could practice their fine motor skills using pegs to peg them out on to a washing line.

### **Song/Maths**

You could watch and sing the '5 little men in a flying saucer' song together.

[https://www.youtube.com/watch?v=2E3p\\_51tJx0](https://www.youtube.com/watch?v=2E3p_51tJx0)

You could even have a go at making your own spaceship (perhaps use tin foil?) and aliens (or use small world figures if you have any) to role play during the song and practice taking 1 away each time. Count them together each time one 'flies away'.

### **Maths/Sorting/Colour**

Get out lots of different size pants – can you help order them from big to small? What colours are they?

Get out lots of different socks – can you help match them to make the same pair?

### **Hide and Seek**

You could hide underpants and/or aliens around your garden/home and go on a hunt together to see if you can find them all.

### **Art**

Have a go at designing your own underpants with colouring pens, paint, stickers or any other materials you have! Do you like spotty ones, stripy ones or frilly ones?
