

Curriculum information for Parents and Carers

Pandas	Step 3	Summer 2 2022
Space		
<p>Communication, Language and Literacy</p> 	<p>Your child will be working on: -</p> <ul style="list-style-type: none"> • Developing their communication skills in all lessons • Working on their IEP targets. <p>Reading</p> <ul style="list-style-type: none"> • Sensory story- Space Song Rocket Ride- Sunny Scribens. • Regular one to one reading sessions to explore books/ learn to read. <p>Funky Fingers</p> <ul style="list-style-type: none"> • We will be doing a variety of activities to strengthen our fine and gross motor skills including colouring in a big rocket, exploring moon sand, writing words in black sand and making Paper Mache planets. 	
<p>Personal, Social and Emotional Development and RE</p> 	<p>Your child will be working on their PSED skills including learning about emotions, and having interactions with others throughout the day. We will be brushing our teeth and will be involved in our personal care routines.</p> <ul style="list-style-type: none"> • PSED- in PSED we will be looking at transitions. Some of us will be going on visits to a new school and meeting our new teachers. As a class we will be looking back at our time at Valley using pictures. We will then recreate our favourite activities and visit our favourite places in school. • RE- this half term Pandas will be looking at Prayer in different religions with Lisa. They will be listening to the Muslim call to Prayer, creating Hindu shrines and listening to Christian Music. • 	
<p>Physical Development</p> 	<ul style="list-style-type: none"> • PE- (orienteering) we will be following a course around the playground to collect space pictures/ words. We will be seeing who can run around the course the quickest. • Cycling- some of us will be going on the cycling on Wednesday mornings. • Swimming- some of us will be going swimming on a Monday morning at Hazel grove swimming pool. <p>Every day we will use a variety of physical equipment during 'ready to learn' and break times to ensure we are meeting everyone's sensory and physical needs.</p>	
<p>Cognition/Mathematics</p> 	<ul style="list-style-type: none"> • All children will work on their number targets throughout the week. • (positions) we will be exploring putting the small world space people in/ on/ under/ behind/ and next to the rockets. Putting ourselves in different positions by going on a space adventure to stand next to/ in front and behind different planets. 	
<p>Understanding of the World</p> 	<ul style="list-style-type: none"> • ICT- this half term we are revisiting our favourite ICT activities. We will be programming the Beebots to go around a space track. Playing space games on the computer and looking up space facts on the chrome books. • Science- we are separating materials this half term and will be carrying out experiments using different equipment to find out the best way to separate things. We will be exploring things that are easier to separate such as balls and water and things that are more challenging such as salt and sand. 	
<p>Expressive Arts and Design</p> 	<ul style="list-style-type: none"> • Art- Our focus in Art is exploring colour. We will look at the Artist Kandinsky's painting and create our own circle Art. To do this we will mix colours and change shades of the paint. We will be using the salad spinner create our paint planets and make big galaxy pictures using the chalks. 	
<p>Other</p>	<p>We are looking forward to spending the last half term of the year together and having lots of fun in the sun!</p>
