

Curriculum information for Parents and Carers

Tigers	Step 3	Summer 2 2023
We're going on a summer holiday (international).		
<p>Communication, Language and Literacy</p> 	<p>Your child will be working on-</p> <ul style="list-style-type: none"> developing their communication skills in all lessons working on their IEP targets <p>Reading</p> <ul style="list-style-type: none"> Sensory story- 'Amazing Airplanes' will help bring our new topic to life by stamping passports, carrying luggage, pretending to be a pilot-flying a play plane down a flashing runway, playing the role of a flight attendant and serving drinks and magazines to passengers etc. <p>Funky Fingers</p> <ul style="list-style-type: none"> We will be working on our fine and gross motor skills using holidays as our theme; Water fights using water pistols and water balloons, cutting pictures out of travel brochures, writing on passports and plane tickets.; Making aeroplanes using pegs etc. 	
<p>Personal, social and emotional development and RE</p> 	<p>Your child will be working on their PSED skills including their IEP targets across the day.</p> <ul style="list-style-type: none"> In PSED our focus is old friends, new friends, moving on and we will be mixing all three Step 3 classes to have a play with old friends, make new friends and transition to the different classrooms around school. 	
<p>Physical Development</p> 	<ul style="list-style-type: none"> PE – we will be continuing Rebound Therapy sessions every Monday. <p>Every day we will use a variety of physical equipment during 'ready to learn' and break times to ensure we are meeting everyone's sensory needs.</p>	
<p>Cognition/Mathematics</p> 	<ul style="list-style-type: none"> Space and position- we will be moving our bodies and other objects into different positions by putting summer clothes on, packing suitcases and making mocktails. Cognition- we will explore diagonal and horizontal by rubbing in sun cream in different directions, using glow in the dark Lego and spraying sun cream in the white room to make it luminous in different lines. <p>Some of the children will have number targets that they will work on throughout the week.</p>	
<p>Understanding of the World</p> 	<ul style="list-style-type: none"> ICT-We will be using the white room to enhance our cognition sessions and we will be using apps and games across the curriculum. Science- We will be exploring changing materials using food, each week we will make a recipe that changes its look and taste when heated up such as scrambled eggs and biscuits and comparing how it looks before and after. Geography - This will be a fun play session creating our own seaside county scene using sand, broccoli (pretend trees) etc. We will also be making our own town using cereal boxes etc for the buildings. 	
<p>Expressive Arts and Design</p> 	<ul style="list-style-type: none"> In art and design -Our focus is construction - we will build a beach in our outside classroom, using several exciting construction toys to build walls and we will be using the tuft spot (large plastic tray) to construct beach scenes. Will we also play some old-school fairground classics such as tin-can alley and skittles.
